

Volunteer Opportunity

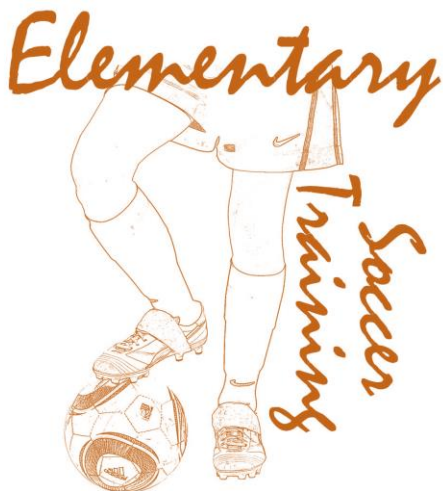

The **Elementary Soccer Program** seeks to provide entry into the game of soccer for a wide range of children by partnering with TC Storm, Moorhead Spuds Soccer, and the Moorhead Public Schools. Elementary Soccer will provide **daily (M–H) after-school access** to soccer training at every elementary school in Moorhead.

Please consider applying for **volunteer** positions. This will take place from 2:45 – 4:00 Monday through Thursday **this school year**. You do not need to commit all four days...just the ones that work with your schedule. You **do not need to be great at soccer**; you just need to love to **work with kids**. You can **make a difference** in the lives of Moorhead's youth.

If you are interested, please contact **Darin Ulness** (ulnessd@cord.edu)

...to increase access to soccer training and opportunities for Moorhead youth.

Details: This program will allow for all the elementary kids in Moorhead to run right out onto the field right after school and receive soccer training. As a volunteer you would work with 10–15 kids. We will provide ideas on what to do but we also encourage you to use your own creativity. A typical session would be about 30 minutes of activities to improve soccer skills and about 30 of small-sided games that emphasize both fun and skill development.

Other opportunities available to you: We are offering free “best practices” training through Concordia College for anyone interested.

There is also a chance to be more involved with some paid positions available. Finally, there are positions available on the executive committee with an eye towards developing program leaders in Fargo, West Fargo and Dilworth.
