

# TIAA Financial Essentials Live Webinar

## The financial knowledge to help plan for whatever life brings

TIAA has nearly 100 years of experience helping people save and invest. We're proud to share that knowledge with you in the form of fun, interactive and informative workshops. Here is a workshop that is coming soon to Minnesota State. You're welcome to invite a colleague who may also want to attend!

### Inside Money:

#### Managing income and debt

Everyone talks about a budget, but how many of us actually make and stick to one? Most people have some debt, but how many understand its effects? Let us show you the real impact of both—and help you understand how your money can work for you. TIAA's workshop leader will:

- Discuss the importance of cash flow and how to use it
- Focus on how you look at saving and spending
- Help you evaluate debt—and find ways to help manage it
