

AN AUTHENTIC LAB EXPERIENCE FOR ONLINE LEARNERS

Promotes **student engagement**
and **success** through hands-on
experimentation

REAL-WORLD EXPERIMENTS:

Developed by PhDs with
student safety in mind.

CUSTOMIZED LAB KITS:

Tailor a lab kit to your course
curriculum.

RIGOROUS DIGITAL CURRICULUM:

Virtual learning opportunities
and direct integrations with
Brightspace.

DEPENDABLE, EXPERT SUPPORT:

Dedicated to supporting
faculty and student success.

JOIN US FRIDAY, SEPTEMBER 21ST

Learn how our digital curriculum and lab
kits can support a completely online science
course. Open house begins at 2:30pm
followed at 3:00pm by a hands-on lab kit
presentation and Q&A session.
