

Be their Leader... **Become** their Role Model

Do you have 1 hour per week to invest in tomorrow's leaders?

The University of Minnesota 4-H – Clay County is offering Youth Development Leadership Internships that empower College Students to take part in shaping the next generation through leading local After School programs right here in Moorhead.

Check out our Winter/Spring 2019 programs:

Gardening Adventures ~ Grades 3-4

Children will learn about different types of plants and how to nurture their growth. Participants will even get to grow their own plant to take home.

Pets Galore ~ Grades 3-4

Children will learn about different breeds of animals, pet care, first aid and even training techniques. This course will include several hands on activities.

Arts & Leadership ~ Grades 3-4

Children get to flex their creativity muscle with this fun and interactive arts and leadership class. Art activities and leadership lessons are tied together in an unexpected way.
