

THE 3RD ANNUAL
COMMUNITY
AUTISM FORUM

Graduate students from the speech-language pathology program at MSUM, physical therapy students from U of Jamestown, and occupational therapy students from U of Mary encourage you to join us for an educational night raising awareness and answering questions about autism. Students will engage the community as they present research and provide interactive learning on current topics or issues in autism or the autism community.

This event is FREE and open to the public.

APRIL 18, 2019

6:00PM-8:00 PM

MINNESOTA STATE UNIVERSITY MOORHEAD,
COMSTOCK MEMORIAL UNION BALLROOM

Refreshments, fun, and education will be provided.
